

Independence Day Celebration 2024

An intra-collegiate slogan writing competition was organized by the 'Heritage' Social Science Association of BNV College of Teacher Education in celebration of the 78th Independence Day on August 13, 2024. This event aimed to engage students in reflecting on the significance of independence and the values associated with it, fostering a sense of patriotism and creativity among participants. Numerous students from the college enthusiastically participated, showcasing their talent and innovative thinking through thought-provoking slogans that encapsulated the spirit of freedom and national pride. The competition not only provided a platform for students to express their ideas but also encouraged healthy competition and camaraderie within the college community. The winners were recognized with awards during the Independence Day festivities, highlighting their achievements and contributions to the celebration, thereby inspiring others to participate in future events.
