

REPORT ON MATHEMATICS ASSOCIATION

On 29th November 2024, the Mathematics department of BNV College of Teacher Education Thiruvallam inaugurated the Mathematics Association “GANITHA “. The association was inaugurated by Dr. Meera Kumari G, the academic director of BNV CTE Thiruvallam.

The students of Mathematics department organised a field trip to planetarium on 24th October 2024 in where we discovered many mathematical aspects and came closer to the world of Maths. It was a wonderful journey and we had lots of fun.

As part of the association an intercollegiate geometric pattern drawing competition was held on 22nd December 2025 in which students from different colleges participated. The General Convenor was Dr. Lakshmi S, The Principal of BNV CTE, the Program Coordinator was Dr Roshna V Gopal, Assistant Professor in BNV CTE, and the Student Coordinator was Lubina N. The Association got 10 entries for the competition and three of them got prizes. The results were announced on 1st January 2025. It was a great experience.
