INTRODUCTION

*THE TECHNOLOGY CLUB – ‘RAFTAAR’*

As a part of the Bachelor of Education (B.Ed.), the students of BNV College of Teacher Education have established a technology club named ‘**RAFTAAR**’ for the year 2024-2026. The technology club was established with the aim of fostering a community of individuals passionate about technology, innovation, and digital problem-solving. In today’s rapidly evolving digital landscape, the club provides a platform for members to explore a wide range of tech-related fields. Our mission is to equip students with the skills and knowledge necessary to thrive in a tech-driven world. Through workshops, collaborative projects, guest lectures, and hands-on experience, the club aims to build both technical competencies and a deep appreciation for the transformative power of technology. The club encourages a collaborative and inclusive environment where all members, regardless of experience level, can contribute to and benefit from ongoing learning and growth.

Raftaar organizes a range of activities for the student teachers and started this year's programs by a workshop on effective utilization of web tools for making presentation through canva.

## ABOUT THE PROGRAM

The program was organized on 27<sup>th</sup> January, 2025 by the technology club RAFTAAR of BNV-CTE. The workshop was on effective utilization of web tools for making presentation through canva by The resource person Ms Sruthy Poovattil, former student of BNV-CTE.

The program was started by 2:30pm, by a Prayer by Sajin and Sumi welcomed the gathering. After that the Logo launch of the club was inaugurated by the programme coordinator Dr Sunikumari PM, and gave a brief description regarding the name of the club. Later Anjana gave an introduction about the resource person Ms. Sruthy Poovaattil and started the session. The session was an interesting one and the students actively participated in that. All of them were asked to download the canva application and the had a hands-on experience for them.

After the session, the resource person put forward a competition for the students and asked them to apply the tricks and tips they got from this session and Sanika gave a detailed description about the rules and regulations of the competition. As a token of love and appreciation, Sunikumari ma'am presented a small present for our resource person. Finally, the programme was concluded by a vote of thanks by Nisha. Bhagya was the anchor for the session.
