

PROGRAMME REPORT: WORLD OZONE DAY

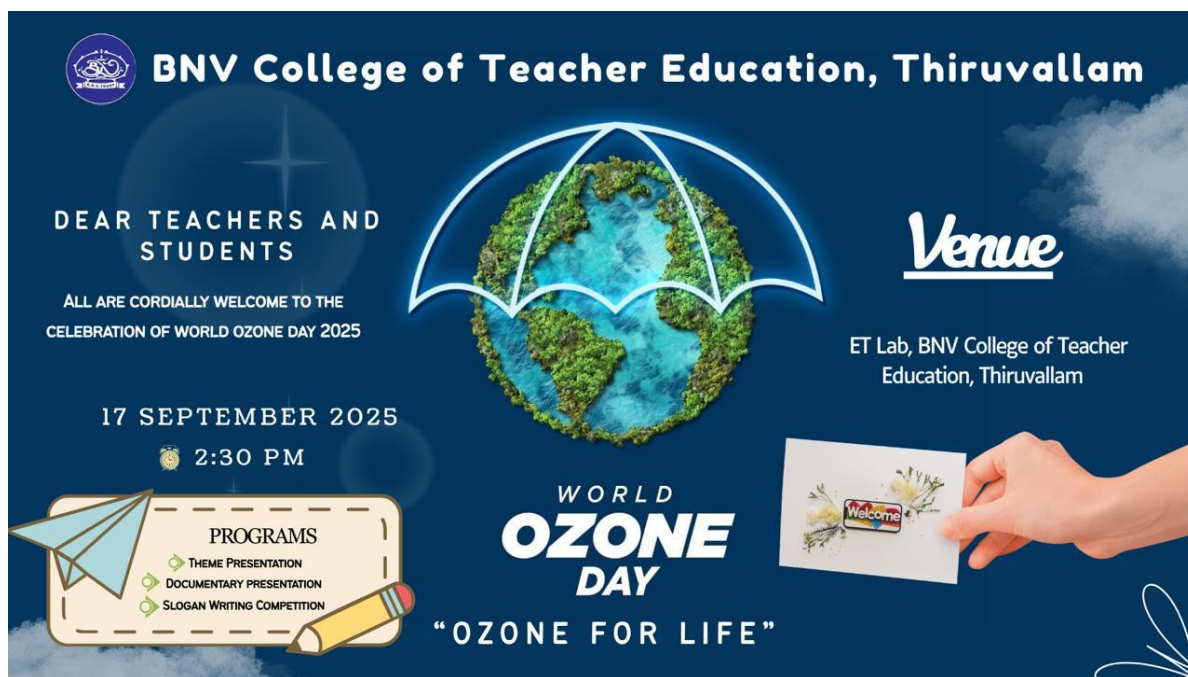

CELEBRATIONS

DATE: 17th September 2025

TIME: 2:30 pm

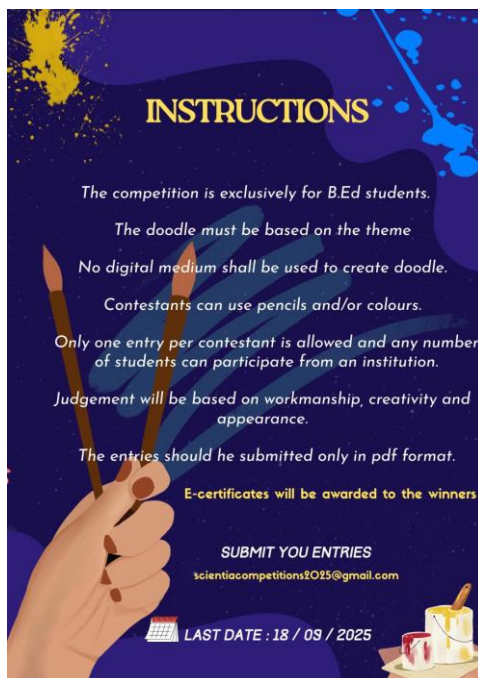

VENUE: ET LAB

As part of our celebrations for World Ozone Day, Physical Science Association “Scientia” conducted a program “Ozone for Life”. This program was conducted under the esteemed guidance of our program convenor, Dr. Sunikumari P M. The program included Theme presentation, Documentary presentation, an Intra-Collegiate Slogan Writing Competition and an Inter-Collegiate Doodle Art Competition. The theme for the doodle art competition was “HEAL THE SKY, HEAL THE EARTH” and the theme for the slogan writing competition was “Shielding our sky, Protecting Our Tomorrow”.

The program witnessed enthusiastic participation from students representing multiple departments. Their active engagement, curiosity, and energetic contributions

added immense value to the proceedings. The vibrant atmosphere they created not only ensured the smooth conduct of the sessions but also highlighted the spirit of collaboration and unity among the student community. What began as a formal program evolved into a dynamic celebration of science, learning, and togetherness, leaving a lasting impact on everyone present.

WINNERS OF THE SLOGAN WRITING COMPETITION:

First Prize: Surabhi S from Malayalam Department

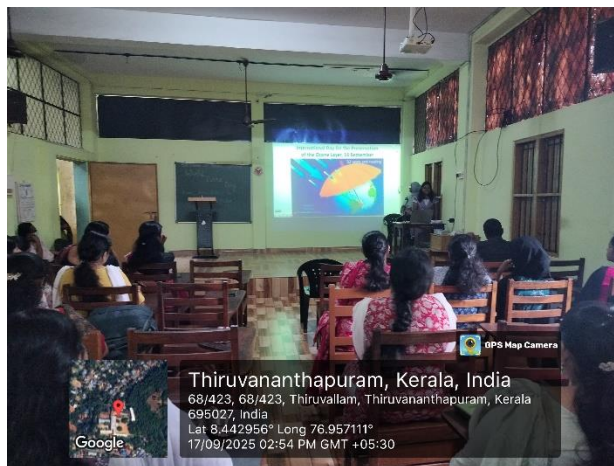

Second Prize: Athira B C from Commerce Department

WINNERS OF THE DOODLE ART COMPETITION:

First Prize: Abirami T Baiju from Sree Narayana Training College, Nedunganda

Second Prize: Shabnam Shajahan from Kerala University College of Teacher Education, Nedumangad

CONCLUSION:

The program as part of the World Ozone Day Celebration conducted by the Scientia Association was a great success. Thanks to the meticulous efforts of all the individuals involved. Each activity reflected a collective commitment toward sustainable living and environmental responsibility. The celebration successfully inspired participants to become ambassadors of environmental conservation, reminding everyone that safeguarding the ozone layer is not just a global necessity but also an individual duty. The program concluded with a strong message of unity, responsibility, and hope for a greener and healthier future.

The Association sincerely thank all the participants and appreciating their courage. The success of the event serves as an inspiration to continue organizing such engaging and educational activities in future. Scientia remains committed to fostering scientific curiosity and exploration among students and looks forward to more enriching events ahead.
