BNV College of Teacher Education, Thiruvallam hosted an exceptionally enlightening and impactful Electoral Literacy Awareness Programme organized by the Electoral Literacy Club on December 4th from 2.00 p.m. to 2.30 p.m., under the dedicated and visionary guidance of Mrs. Rekha L. R, our esteemed Faculty-in-Charge. The programme was meticulously planned with the noble objective of instilling a deep understanding of democratic principles among the students, highlighting the paramount importance of voting as both a civic duty and a fundamental human right. The session commenced with a captivating historical documentary that traced the remarkable journey of India's electoral system—from its formative struggles

and gradual reforms to its present status as the world's largest and most dynamic democracy. This compelling visual presentation created a thought-provoking and reflective atmosphere, enabling our team members to appreciate how their active participation contributes to shaping the future of the nation.

Following the documentary, an extensive awareness session on the SIR Form was conducted, providing our team members with detailed guidance on voter eligibility, registration procedures, and the significance of accurate and responsible civic documentation. The highlight of the programme was an engaging live demonstration of the Electronic Voting Machine (EVM), during which our team members were able to closely observe the ballot unit, control unit, and the functioning of the VVPAT, while gaining a thorough understanding of the security, transparency, and procedural integrity embedded in the electoral process.

The programme was further elevated by the esteemed presence of Dr. Lakshmi ma'am, our Principal, Dr. Roshna ma'am, Mr. Nadeem N. Surfid sir, Dr. Suni Nair ma'am, and Ms. Feba Samuel ma'am, whose guidance, encouragement, and support greatly enriched the event.

Through this thoughtfully orchestrated and inspiring initiative, the Election Literacy Club successfully emphasized that voting is not merely a civic responsibility but a profound human right that safeguards equality, justice, and democratic integrity. The programme left a lasting and transformative impact on our team members, motivating them to become enlightened, confident, and responsible participants in the democratic process, thereby contributing meaningfully to the reinforcement and growth of our nation's democratic values.
