The Mathematics Association “*Ganitha*” of BNV College of Teacher Education, Thiruvallam, celebrated **World Statistics Day** on **20th October 2025** with great enthusiasm. The event was organized to emphasize the importance of statistics in everyday life and to promote awareness about how data helps in shaping decisions, policies, and innovations across the world. World Statistics Day, observed globally as declared by the United Nations, highlights the crucial role of reliable data in

understanding global progress, measuring development, and improving human welfare.

To mark the occasion, the association conducted an **Inter-Collegiate Quiz Competition** in an online format through **Google Forms** (<https://forms.gle/HMhEL9L5o2Ft24547>). The quiz was designed to make learning statistics engaging and interactive. It consisted of **15 multiple-choice questions** covering various statistical concepts, applications, and famous contributors in the field. The quiz duration was **five minutes**, challenging participants to think quickly and accurately. Students from different colleges such as Government College Of Teacher Education, Thycaud, BNV College Of Teacher Education Thiruvallam , KUCTE Kumarapuram, Sree Narayana Training College, Nedunganda, Varkala, Mount Tabor Training College, Pathanapuram, Sree Narayana Guru Kripa, Pothencode, PTM College Of Education, St Thomas Training College, Karmela Rani Training College, Mar Baselios College Of Teachers Education enthusiastically took part in the event. A total of **27 participants** actively participated, displaying keen interest and sound knowledge in the subject.

The programme was successfully coordinated under the guidance of Dr. Lakshmi S., Principal of BNV College of Teacher Education, who served as the General Convenor. The event was efficiently organized by Dr. Roshna V. Gopal, Assistant Professor and Programme Coordinator, along with Divya L. N., Student Coordinator. Their efforts ensured smooth communication, publicity, and the fair conduct of the competition.

The quiz provided a platform for students from different colleges to exchange ideas, test their knowledge, and gain confidence in handling statistical data. It also encouraged the appreciation of mathematics and statistics as essential tools in all academic and professional domains. The participants expressed their excitement and satisfaction with the online format, which made the competition more accessible and time-efficient. The winners and participants were appreciated for their enthusiasm and awarded e-certificates as a token of encouragement.

The celebration of **World Statistics Day 2025** by the Mathematics Association “*Ganitha*” was a memorable and meaningful event. It successfully highlighted the theme of promoting data integrity and innovation while spreading awareness about the indispensable role of statistics in education and society. The event concluded with words of appreciation from the Principal and faculty members, who emphasized the need for statistical literacy in today’s world of data and technology. The programme achieved its goal of inspiring future teachers to value statistical thinking and to integrate data-based learning in their classrooms. Overall, the celebration reflected the spirit of learning, collaboration, and innovation that defines BNV College of Teacher Education, Thiruvallam.
