From the reflection session it was came to know that the student teachers had mixed experiences from the part of schools and teachers. Some had happy experiences and some others had some unhappy experiences also, still all of them experienced the eternal happiness of being a teacher. Higher secondary teacher trainees experienced hectic admission duties and got only 3 weeks for teaching. The confidence level of all student teachers were seemed to be improved.

Leader of HSS For Girls, Venganoor, Sali Justin, reflected her happiness for getting good treatment from the part of teachers and getting opportunity for managing a seminar in the school which was conducted by KSEB. The leaders of all schools expressed their good and bad experiences.

After the reflections of student teachers, Principal Dr. Lekshmi S. appreciated the team leaders for their well executed teaching practice and the session came to an end.
