

Volunteers in 63rd Kerala School Kalothsavam

The Kerala School Kalothsavam, a vibrant and culturally rich festival celebrating the artistic talents of school students across the state, took place from January 4 to January 8, 2025, in the picturesque city of Thiruvananthapuram. This prestigious event was organized by the Department of General Education, Government of Kerala, and aimed to showcase the diverse talents of students in various fields such as music, dance, drama, and visual arts.

Among the many participants and volunteers contributing to the success of the Kalothsavam, students from BNV College of Teacher Education played a pivotal role by offering their services in food distribution on January 5, 2025. Their involvement was not merely a logistical contribution; it represented a meaningful engagement with the community and the festival's

spirit. By volunteering, these students had the opportunity to immerse themselves in the festivities, interact with fellow participants, and experience the rich cultural heritage of Kerala firsthand.

The act of providing food services allowed the BNV College students to develop essential skills such as teamwork, communication, and organizational abilities, all while fostering a sense of camaraderie among their peers. It also highlighted the importance of community service and the role of education in nurturing responsible and socially aware individuals. The experience was not only beneficial for the festival attendees, who enjoyed delicious meals prepared with care, but also for the volunteers, who gained invaluable insights into the significance of cultural events and the joy of contributing to a larger cause.

Overall, the Kerala School Kalothsavam served as a platform for artistic expression and cultural exchange, while the participation of BNV College of Teacher Education students exemplified the spirit of collaboration and community involvement that is essential to the success of such events. Their contributions helped create a warm and welcoming atmosphere, ensuring that the festival was a memorable experience for everyone involved.
