---

BNV College of Teacher Education, Thiruvallam, hosted an orientation program for new B.Ed batch of 2025-2027 on 16<sup>th</sup> July 2025. The event, held at the E T Lab of BNVCTE at 10:00 AM, was a significant milestone in welcoming new students to the institution.

Dr. Lakshmi S, Principal of BNVCTE, was the resource person for the event. Her presence added gravitas to the proceedings and set the tone for the students' academic journey. The program began with a prayer by B. Ed student and Mrs. Aswathy. A. S., Assistant Professor, BNVCTE delivered a warm welcome address, extending a hearty greeting to the new batch students. introducing them to the college Management, mission, vision, and values.

The resource person Dr. Lakshmi S, Principal, BNVCTE delivered a comprehensive presentation on the college's history, academic programs, and infrastructure. She highlighted the college's commitment to empowering future educators and its focus on holistic development. The orientation covered the academic expectations for the B. Ed program, including the curriculum, assessment methods, and evaluation criteria. This helped students understand the academic rigor and requirements of the program. The session also touched upon campus life, including the various facilities available to students, such as libraries, laboratories, and extracurricular activities. This gave students a glimpse into the vibrant campus community they were about to become a part of.

The orientation program was well-received by the students, who appreciated the clear and concise information provided. The event successfully achieved its objectives, including:

The orientation program for the B. Ed batch of 2025-2027 at BNV College of Teacher Education was a resounding success. It marked the beginning of an exciting academic journey for the new students and set the stage for their growth and development as future educators. The college's commitment to empowering future educators was evident throughout the event, and it is expected that the students will carry this forward throughout their time at BNVCTE.
