

PROGRAMME REPORT: NATIONAL TECHNOLOGY DAY

CELEBRATION 2026

DATE :11th MAY 2026

PROGRAMME HIGHLIGHTS

- **Intercollegiate meme competition**
- **Blog creation**
- **Design of logo**
- **Video release**

National Technology Day is observed annually on May 11 to commemorate India's technological advancements and to recognize the contributions of scientists, engineers and researchers toward national development. The day aims to promote scientific temper, encourage innovation and research and highlight the significance of technology in achieving sustainable economic and social progress.

As part of our celebrations for National Technology Day, the Technology forum **RAFTAAR** of BNV College of Teacher Education, Thiruvallam organised an intercollegiate meme competition "**BYTE LAUGH**". This program was conducted under the esteemed guidance of our program convenor, Dr. Sunikumari P M. The theme of the program was "**Tech for All: Uninstalling Inequality**". The objective of the theme was to emphasize the importance of equal access to technology and the need to bridge digital inequality in society.

 *Last Date: 9 May 2026 | 5 PM*

 **Create · Inspire · Make Technology Equal for All!**

The program witnessed enthusiastic participation from students of various colleges. A total of four colleges participated in the competition with six participants submitting their entries. Students showcased their creativity and awareness through original memes based on the given theme. Their active participation and creative ideas added immense glory to the competition.

As part of the celebrations, the technology club officially released an informative **video** on 11 May 2026 depicting the historical aspects behind celebrating National Technology Day and its relevance in the current scenario. The video helped to create awareness among students regarding technological progress and innovations. A specially designed official **logo** was also unveiled for the event, symbolizing innovation, technological advancement and the forward-thinking vision of the Technology Forum.

The Technology forum RAFTAAR created an informative **blog** raftaartechno.blogspot.com to empower technology awareness, encourage digital learning and inspire students to explore the advancements and possibilities in the field of technology.

WINNERS OF THE MEME COMPETITION

First Prize:

Harishma S H from ST. Thomas Training College, Mukkolakkal.

Second Prize:

CONCLUSION

The program was a grand success and served as an excellent platform for students to express their ideas creatively. It also highlighted the role of technology in promoting equality, innovation and inclusive development. Thanks to the dedicated and meticulous efforts of all the individuals who made this program a great success. Through initiatives such as designing the event logo, releasing the awareness video, creating the blog and coordinating the competition, the Technology club RAFTAAR demonstrated its commitment to promoting innovation and technological awareness among students.

Overall, the program was a meaningful and inspiring celebration that highlighted the importance of technology in today's world and encouraged students to explore new ideas and advancements. The technology club looks forward to organising many more such innovative and informative events in the future and remains committed to fostering technological awareness, creativity and excellence among students.
