The Convocation Ceremony, **“SPIRE 2026,”** for the B.Ed. Batch 2024–2026 of BNV College of Teacher Education was held on 13 June 2026 at the Seminar Hall of the college. Organized by the Internal Quality Assurance Cell (IQAC), the programme marked the successful completion of the B.Ed. course by graduating student teachers and celebrated their academic achievements and contributions.

The planning and preparation for the programme commenced well in advance, even before the Semester IV examinations. Student coordinators were selected early to ensure smooth execution of the event. Mr. Sajin and Ms. Namitha Devi served as the student coordinators, while Dr. Roshna Gopal, Mathematics Optional Teacher, was appointed as the teacher coordinator. Under their guidance, systematic planning was undertaken to organize the convocation efficiently.

One of the first tasks was finalizing and booking the graduation gowns, as the vendor had to be confirmed well ahead of the event. Subsequently, the organizing team worked collaboratively on various arrangements, including photography services, catering, stage decoration, and the preparation of a photo point for graduates and their families. A Google Form was circulated among the student teachers to collect essential details such as the number of accompanying family members, academic achievements attained during the B.Ed. programme (including qualifications such as KTET and CTET), and academic performance in the B.Ed. examinations. Based on the information collected, certificates, medals, and awards were prepared. Necessary arrangements were also made for the distribution of various endowments and merit awards.
