

## Report on Certificate Course on Personality Development

BNV College of Teacher Education hosted a Certificate Course on Personality Development on March 18, 2025, led by Shri Vishnu Prasad M V, an award-winning master trainer and HR professional with a passion for psychology, as well as a certified counselor trainer and HR recruiter at Srishti Innovative.

Throughout the program, he engaged participants in various activities aimed at enhancing personal development. Initially, he instructed attendees to arrange their seating to face one another, emphasizing the importance of being a "BEAUTIFUL TEACHER," which begins with the ability to appreciate children. Following this, he introduced an activity titled "Break Your Comfort Zone," encouraging teachers to explore innovative methods of imparting knowledge beyond their usual boundaries. He highlighted the necessity of understanding the purpose behind learning and facilitated numerous group activities to reinforce this concept.

Additionally, he stressed the importance of being a teacher who comprehends and listens to children, especially in an age dominated by technology. Feedback was provided by Lubina and Lakshmi, while Namitha Devi delivered the vote of thanks, concluding the session at 12 PM.
