The session commenced with Ms. Shiny, Assistant Professor, BNV CTE Thiruvallam, introducing the resource person, Mrs. Rejeena S, to the class. The workshop was then led by Ms. Rejeena S, who conducted an informative and engaging session on the use of PowerPoint for classroom presentations.

She explained how to present slides with clarity by focusing on objectives, audience understanding, content structure, supporting materials, and practice. She further elaborated on the key elements of an effective presentation, which include simplicity, consistency, readable fonts, quality visuals, effective charts, and proper use of colour.

She also stressed the importance of body language in classroom teaching. In addition, she introduced several digital platforms and demonstrated the use of three AI tools- Slidesgo, Napkin, and Presentation Intelligence. The session concluded with a practical activity in which students prepared their own presentation using Slidesgo. The session was highly interactive, encouraging students to ask questions and explore practical features of PowerPoint.

The programme concluded with positive feedback from the students, who felt motivated and better prepared to use ICT in their future teaching practice. Finally, Ms. Rejeena wished the student-teachers to become good teachers, and a vote of thanks was delivered by Ms. Arya.

Overall, the orientation programme was highly beneficial, leaving the students motivated and better prepared for their future teaching practice.
